

CONFERENCE CHAIR

Ricardo Armentano
Favaloro University,
Argentina

CONFERENCE CO-CHAIR

Donna Hudson
University of California,
San Francisco, USA

PROGRAM CHAIR

Jorge Monzon
Universidad Nacional del
Nordeste, Argentina

PROGRAM CO-CHAIR

James L. Patton
University of Illinois at
Chicago, USA

INTERNATIONAL PROGRAM CHAIR

Metin Akay
Harrington Department
of Bioengineering,
Arizona State University

PUBLICATIONS CHAIR

Emilio Sacristan
Universidad Autonoma de
Mexico, Iztapalapa,
Mexico

STEERING COMMITTEE

Eduardo de Forteza
Carlos D'Attellis
Franco Pessana
Sebastián Graf
Diego Sica
Damian Craiem
Fernando Salvucci
Favaloro University,
Argentina

Norberto Lerendegui
Buenos Aires
Technological Institute,
Argentina

Silvano Zanutto
University of Buenos
Aires, Argentina

Alfredo Arnaud
Enrique Ferreira

32nd Annual International Conference of the IEEE Engineering in Medicine and Biology Society *"Merging Medical Humanism and Technology"*

August 31 - September 4, 2010

Buenos Aires Sheraton Hotel, Buenos Aires, Argentina.

PROGRAM THEMES

- Biomedical Signal Processing.
- Biomedical Image and Image Processing.
- Bioinstrumentation: Sensors, Micro, Nano and Wearable Technologies.
- Bioinformatics and Computational Biology; Systems Biology, Modeling Methodologies.
- Cardiovascular and Respiratory Systems Engineering.
- Neural Engineering, Neuromuscular Systems and Rehabilitation Engineering.
- Molecular and Cellular Biomechanics, Tissue Engineering, Biomaterials.
- Bio-Robotics, Surgical Planning and Orthopedics Biomechanics.
- Therapeutics and Diagnostic Systems, Devices and Technologies, Clinical Engineering.
- Healthcare Information Systems, Telemedicine.
- Technology Commercialization, Education, Industry and Society.

THE CITY

Buenos Aires offers traditional tours about architectures, open air places, neighborhoods and tango houses. To know more about the City of Buenos Aires and Argentina please, visit Official Tourism Site of The City of Buenos Aires or Secretaria de Turismo de la Nacion
